In the following slides you will see how ACSO overcame the challenges 2020 presented to us.

- We continue to help one another.
- We continue to protect and serve our community.
COVID-19 arrives in Alameda County
On March 16, 2020, Alameda County proclaimed a health emergency due to COVID-19.

The initial assessment was this emergency would only last a couple of weeks.
Managing the crisis requires addressing multiple challenges:

- **Staffing** - Shortages and hiring difficulties,
- **Safety**,
- **COVID Testing**, **COVID Compliance**, **COVID Vaccination**,
- **Jail**, **Public Safety**, **Budget Cuts**, **Media Scrutiny**.

Additional needs include:

- **PPEs**,
- **Housing**,
- **Hotels**,
- **Food Distribution**.
A complete change in the operations of the Agency jail, patrol, courts, coroner, OES and all units
Musters are held OUTDOORS at ETS.

Much of that increase is attributed to aggravated assaults, stolen vehicles, theft, burglaries, and drug-related issues.

In the first several months of 2020, we experienced an 11.9% increase in crime.

The zero-bail schedule also made public safety more difficult and challenging.
Combined with the global pandemic and simultaneous wildfires in ours and surrounding areas, we saw unprecedented violence, looting, riots and destruction in the streets nationwide.
Deploy an EMERGENCY MANAGEMENT system that strengthens the capacity to prevent, protect against, respond to, and recover from all types of emergencies.

Promote a UNIFORM management structure for all emergency RESPONSES.

Promote INTEROPERABILITY for emergency responders, both day-to-day, as well as during large emergencies.

ENHANCE the SAFETY of emergency personnel.

IMPROVE the overall RESPONSE through robust TRAINING in technical emergency management standards and operating procedures.

Updates on COVID-19, state of the Agency and other emergencies were broadcasted to ACSO personnel.
Started as 20 different wildland fires sparked by dry lightning strikes on Aug 16, 2020
In October 2020, ACSO spearheaded a UAS task force, at the request of local agencies, to document the damaged areas in Butte, Solano and Santa Cruz Counties.

The taskforce included teams from Contra Costa County and Santa Cruz County Sheriff’s Office, San Leandro and Stockton Police Departments.
In August 2020, as the fires continue to grow, we deployed 30 deputies, around the clock, to Santa Cruz County for mutual aid.
Forced evacuation orders and warnings, destroyed dozens of structures and caused smoke that blanketed surrounding areas.

Burned a total of 393,624 acres.
